UNITED STATES DEPARTMENT OF AGRICULTURE  
AGRICULTURAL ADJUSTMENT ADMINISTRATION  
Washington, D. C.

February 8, 1939

MEMORANDUM TO PENNSYLVANIA  
COUNTY COMMITTEEMEN.

Under a reorganization, effective February 6, the administration of the agricultural conservation program in Pennsylvania was assigned to the State committee. James E. Walker, as chairman of the State committee, is in direct charge of the State office and of statewide activities under the program.

Willard S. Hagar, who has been state executive officer, has resigned. It is not expected that the position he has vacated will be filled.

You may address communications to the State office directly to Mr. Walker, and I am sure that you can look forward with confidence to the fullest possible help from the State committee and the State representatives in meeting your responsibilities.

Sincerely yours,

*A. W. Manchester*

A. W. Manchester,  
Director, Northeast Division.
